COB LED DISPLAY SOLUTION

DCOB Ultra Series

Ultimate COB Technology for Premium Indoor Displays

Fixed LED display solutions designed for permanent indoor and outdoor installations. They provide outstanding image quality, reliable performance, and long-term durability for commercial, corporate, public, and large-scale display applications.

The DCOB Ultra Series represents the highest level of Knexxons COB display technology, delivering exceptional visual performance for premium indoor applications. With superior black consistency, outstanding contrast, and an ultra-fine pixel structure, it creates immersive viewing experiences even at extremely close viewing distances.

Let's Build Your Next LED Project

From fine-pitch indoor displays to large-scale outdoor LED walls,
KNEXXONS helps you choose the right technology for your project.

KNEXXONS®
